

## *Greetings!*

Please join us for our next Professional Development Meeting (PDM) at Noon on Tuesday April 14, 2009 for a tour of The Original Mattress Factory, located at 8401 Midlothian Tpk.

## *Tour of The Original Mattress Factory*

The Original Mattress Factory was founded in 1990 to manufacture top quality mattresses and box springs to be sold direct to the public at reasonable prices. The foundation of the Company was built upon a simple three-point Mission Statement as well as a nine-point Philosophy. Together, these ideas make-up the very core of The Original Mattress Factory, guiding and reminding all employees to always strive for excellence, act with integrity and produce products of the utmost value for all customers.

### **The Original Mattress Factory Mission Statement:**

1. Produce quality mattresses in our own factory and sell them directly to consumers, eliminating the middleman and providing real value.
2. Be courteous to our customers and educate them about the product they are buying.
3. Always strive for the win-win solution in dealings with customers, fellow employees and suppliers.
